PRESS RELEASE

“ACAA Congratulates Mary Peters on Her Nomination”

The Air Carrier Association of America (“ACAA”) congratulates Mary Peters on being nominated by President Bush to be Secretary of Transportation. Ed Faberman, Executive Director of the ACAA stated:

“Mary Peters understands the importance of transportation to economic growth.” As President Bush stated, “Mary will work closely with state and local leaders to ensure that America has a state-of-the-art transportation system that meets the needs of our growing economy.”

Ed Faberman added,

“We also note that Mary Peters is joining an extraordinary team at the Department who have worked tirelessly to expand travel choices for the American public including Maria Cino, Deputy Secretary and Marion Blakey, FAA Administrator.”

ACAA looks forward to working with Mary Peters to bring the hopes and dreams of deregulation and open markets to all citizens of this country.
