PRESS RELEASE

“ACAA APPLAUDS THE NAMING OF LYNNE OSMUS AS THE FAA ACTING DEPUTY ADMINISTRATOR”

The Air Carrier Association of America (“ACAA”) congratulates Lynne Osmus on being named the Acting Deputy Administrator of the Federal Aviation Administration. Ed Faberman, Executive Director of the ACAA stated:

“Lynne Osmus has had a distinguished career at the FAA. Few people have Lynne’s knowledge of issues that are critical to the operation of the system.”

During her time at the FAA, Lynne has worked closely with other government agencies, including TSA, and with industry representatives.

ACAA looks forward to working with Lynne Osmus to further address issues that impact the nation’s aviation system which is so critical to continued economic growth for businesses and communities throughout the country.
