AirTran Airways Ranks First in Baggage Performance in September 2008

The Department of Transportation (DOT) released its monthly Air Travel Consumer Report on November 7, 2008. The report details the rankings of 19 major airlines and covers flight delays, mishandled baggage, oversales, consumer complaints and customer service reports to the Transportation Security Administration.

The Air Carrier Association of America would like to congratulate AirTran Airways for ranking first in baggage performance in September 2008. AirTran Airways also excelled in areas of flight completion and on time arrivals.
